2008-2009 CLUB REGISTRATION/INFORMATION

- (1) REGISTER ONLINE FOR MVVBC:** Go to www.scvavolleyball.org and follow the player registration prompts for the Jr. Girls Program. (Please Note: Do not pay the \$45 player registration fee, MVVBC will send the payment to SCVA when all registrations are completed).
- (2) REGISTRATION AND PAYMENT:** After completing the online registration, print a copy, sign all signature lines (all players and guardians need to sign ALL signature lines if player is under 18 years old). Bring your signed copy to your first practice with a check for either \$500 or the full payment of \$1000.
- (3) PRACTICE SCHEDULE:** The practice schedule will be posted on www.mvvbc.com during the week of October 27th! Since many of our players participate in Fall school teams, we want them to fulfill their commitment to their school teams before starting their club commitment, thus club practices for players participating in Fall school teams will be optional until their Fall school season is over!
- (4) NOVEMBER/DECEMBER "PLACEMENT" PRACTICES:** Practices during the first three weeks of December will be used for official

placement of players on the appropriate team. Thus, players may be moved to other teams.

(5)CHRISTMAS VACATION: Practices during December 22-January 1 will be “optional”. No official practices will be scheduled.

(6)CLUB COSTS: The cost to play at mvvbc for the 2008-2009 is \$1000! This cost includes SCVA registrations, tournament fees, gym rental, coaches, and uniforms! It is the philosophy of mvvbc to charge the “actual” cost of playing club volleyball. Payments can be made by paying \$500 at first practice and the remaining balance at mid-season, or the full payment of \$1000 upon registering. Please note: Costs do not include, the Volleyball Festival or any additional tournaments and events the team chooses to participate in. The cost covers all SCVA Qualifier and Mandatory tournaments.

(7)THE MVVBC EXPERIENCE: It is our goal to provide each player with a positive, healthy and challenging volleyball experience! Mvvbc believes in the mastery of “TEAM PLAY”. All of our efforts will be towards the encouragement and uniting of players to play as a TEAM.
